## TRADING STATEMENT

In accordance with the Lusaka Securities Exchange (“LuSE”) Listings Requirements, the Board of Directors of Puma Energy Zambia PLC (“Puma” or “the Company”) hereby advises the Shareholders of the Company that the Earnings per Share and Headline Earnings per Share for the year ended 31<sup>st</sup> December 2018 are expected to be approximately 111% higher than for the year ended 31<sup>st</sup> December 2017.

The gain is primarily attributed to increase in sales volume mainly from the Business-to-Business (“BTB”) sector, and an increase in margins following the price adjustment in October by the Energy Regulation Board. The growth in BTB was largely due to the positive performance in the mining, transport and agriculture sub-sectors.

Shareholders are advised that the information contained in this Trading Statement has not been reviewed nor reported on by the external auditors of the Company.

The Company expects its results for the year ended 31<sup>st</sup> December 2018 to be released on SENS and published in the local press on or about Thursday, 7<sup>th</sup> March 2018. Accordingly, shareholders are advised to exercise caution when dealing in the Company’s securities until publication of the results.
