FURTHER CAUTIONARY ANNOUNCEMENT

The shareholder of ZCCM Investments Holdings Plc ("ZCCM-IH" or "the Company"), as well as other market participants, are referred to the cautionary announcement issued on 20 January 2020 in which the Board of Directors of ZCCM-IH ("the Board") informed them that the Company has reached an agreement with Glencore, representing Carlisa Investments Corp. ("Carlisa"), for the acquisition of the 90% stake not currently held by ZCCM-IH in Mopani Copper Mines Plc ("Mopani") ("the Transaction").

The Board wishes to inform the shareholders and the market that ZCCM-IH, with its advisors, has prepared the technical and financial information which is required in the Circular to ZCCM-IH shareholders ("Shareholders") to ensure Shareholders have sufficient information to vote on the Transaction at an Extraordinary General Meeting. The Transaction presents a significant opportunity for ZCCM-IH and will transform the Company from an investment holding company into a world-class copper and cobalt mining company that will have the ability to create substantial value for its shareholders today and well into the future. In line with the requirements of Section 9 of the Lusaka Securities Exchange ("LuSE") Listings Requirements, the salient features of the Transaction are as follows.

Particulars of the Acquisition:	Acquisition of 90% stake in Mopani Copper Mines Plc from Carlisa Investments Corp
Conditions Precedent include:	<ul style="list-style-type: none">• Various regulatory approvals, including LuSE, Securities and Exchange Commission, relevant competition authorities; and• ZCCM-IH Shareholder approval.
Consideration:	USD 1
Other terms of the Acquisition:	<ul style="list-style-type: none">• Agreement in relation to the debt of USD1.5 billion due by Mopani to Glencore; and• Agreement of offtake rights to Glencore in respect of a portion of Mopani's copper production for the period until the USD1.5 billion debt is repaid.

Rationale for the Acquisition

- The acquisition of 90% of the issued shares in Mopani will result in ZCCM-IH being the holder of 100% of the issued shares in Mopani and represents an opportunity for ZCCM-IH to transform from a pure investment company to owning and operating a major mining asset in Zambia. Mopani's operations include some of the largest and oldest copper mines in the world, with a potential life of mine of over 30 years and well-understood geology. With ZCCM-IH having control of Mopani, there is an opportunity for ZCCM-IH and its shareholders to extract the full value from the valuable underlying assets. This is in line with ZCCM-IH's Strategic Plan to extract better value from its underlying assets and remedy some of the previous challenges associated with the minority shareholdings held by the Company in investee companies.

The Pro-forma financial effects of the Proposed Acquisition on ZCCM-IH are expected to be as follows:	Post Transaction	Pro Forma Adjustments	Post Transaction	Percentage change (%)
Earnings Per Share (EPS) (ZMW)	0.007	0.209	0.216	2,832
*Headline Earnings Per Share (HEPS) (ZMW)	0.007	-0.053	-0.046	-727
Net Asset Value (NAV) per share	0.079	0.040	0.119	51
Ordinary Shares in issue	160,800,286	-	160,800,286	0
Shares in issue	160,800,286	-	160,800,286	0
Weighted average number of Ordinary Shares in issue	160,800,286	-	160,800,286	0

Note: *Adjusted ZCCM-IH for revaluation of Property, Plant and Equipment, and adjusted Mopani revaluation of Glencore Loan

In line with Section 9.16 of the LuSE Listings Requirement, and upon confirmation that Mopani is a subsidiary of ZCCM-IH as defined by the Companies Act, ZCCM-IH confirms that the Articles of Association of Mopani will be amended to conform to Schedule 10 of the LuSE Listings Requirements.
