## TRADING STATEMENT

The Board of Directors of **Zambian Breweries Plc (“the Board”)** wishes to advise Shareholders that for the period ended 31<sup>st</sup> December, 2019, the earnings per share is expected to be 81% lower than that of the corresponding period last year for the Company. Earnings for the same period based on profit from continuing operations and adjusted for once offs are expected to be 27% higher.

This reduction in relation to discontinued operations reflects the divestiture of the soft drinks business in December 2018. Earnings from our clear beer business increased due to the improved sales volume performance in line with the more focused business strategy.

The Company expects its results for the fiscal year ended 31<sup>st</sup> December 2019 to be released on SENS and published in the local press on or about 6<sup>th</sup> March 2020. Accordingly, shareholders are advised to exercise caution when dealing in the Company’s securities until publication of the results.
