TRADING STATEMENT

In accordance with the Lusaka Securities Exchange (“LuSE”) Listing Requirements, the Board of Directors of Zamefa (the “Board”) wishes to advise the Shareholders that for the financial year ended 30th September 2024, the basic earnings per share (“EPS”) and headline earnings per share (“HEPS”) are both expected to be between 587% and 607% higher than the prior year.

The increase in the EPS and HEPS is primarily due to:

- an increase in volumes sold in the 2024 financial year,
- a more favourable sales mix,
- improved efficiencies in the plant,
- the positive effect of the weakening Zambian Kwacha against the USD on the revenue and cost of sales which are largely USD denominated,
- an increase in the average LME based copper price, and
- a reduction in foreign exchange losses..

The Company expects its results for the year ended 30th September 2024 to be released on SENS and published in the local press on or about 19th November 2024. Accordingly, shareholders are advised to exercise caution when dealing in the Company’s securities until publication of the results.
