TRADING STATEMENT

In accordance with the Lusaka Securities Exchange ("LuSE") Listings Requirements, the Board of Directors of Zambrew (the "Company") hereby advises the Shareholders of the Company that the Earnings per Share (EPS) for the financial year ended 31st December 2024 is expected to be 26% less than that of the financial year ended 31st December 2023.

The performance for the period ended 31st December 2024 has been driven by an increase in costs of raw materials, power, finished goods imports, finance costs and income tax paid. The input price increases were due to widespread electricity shortages, high inflation and volatility of exchange rates.

The Company expects its results for the financial year ended 31st December 2024 to be released on SENS and published in the local press on or about **24th April 2025**. Accordingly, shareholders are advised to exercise caution when dealing in the Company's Securities until publication of the results.
